Quarterly Newsletter from the Encore Center

## From the Director's Desk

Happy New Year! As we reflect on the wonderful holiday celebrations we had at the Encore Center to close out 2023, I also want to share an incredible story of the impact an organization, like the Encore Center, truly has on a community.

Recently, an Encore driver discovered one of our members collapsed outside of their home in frigid, single-digit temperatures. The quick thinking and action taken by the driver, saved this person's life. We are so grateful this Encore member has a standing appointment for pickup each morning. Thanks also to our local EMS and Heart and Soul Caring, LLC for their assistance. What a great community we have!

I look forward to Encore programs thriving in 2024 and continuing to carry out Encore's mission. Thank you for your continued support. The programs and services we offer would not be possible without all of our wonderful volunteers, members, and donors. Here's to a great year!
